Parish Prayer Concerns

Dear Parishioners,

Happy New Year! I pray that 2014 sees you and I grow in faith and love.

Today we celebrate the Feast of the Epiphany of the Lord. In the Gospel, we will hear the well-loved story of the three wise men, which is really a story about faith. Having studied the scriptures and the portents, they were waiting for a sign; and so, when the star appeared, they were ready and set off at once on their long and dangerous journey to find the promised King. What they found was not what they expected – not a prince in a palace but a poor boy in a humble home, a carpenter's son.

So what did the three wise men do? Did they pack up their expensive gifts and go home, disillusioned and disappointed? No. As soon as they saw Jesus, they knelt and worshipped him. God had promised them a Saviour and so they believed. Wise men, indeed!

How many times has Jesus been revealed in our lives in ways we were not expecting? How many times has God tried to lead us to his Son through our neighbours, our parents or children, through the person on the bus? Did we believe – or are we still waiting to find the one Jesus who fits all our expectations?

- Fr. Sunny
