

Dear Parishioners,

People often speak to me about their disillusionment and the sadness it causes them. They are disillusioned with the Church; with the Mass; with their marriage; with their relationships; with their children.

Today's readings tell us that nothing much has changed since the time of Moses. This world is a difficult place to live in and God is constantly calling us to do the right thing, to keep on living good lives, not to give up hope in the saving power of love. Our heavenly Father loves us without reserve and expects us to return that love to him and to all his children - not only in our words, but in our deeds.

I have often commended the generosity of the people of this parish when it comes to the many appeals we have here. We are always ready to help the stranger. Are we as ready to be as open hearted to the broken sinners in our own Church, in our parish communities and our families? This is the question that our Lord is posing to us today. . – Fr. Sunny

ANNUAL COMMUNITY MEETING

Monday, 17 November at 7pm

All parishioners are encouraged to come along to our community meeting to discern the past year and look toward the future. Reports from our groups and ministries will be available in the foyer the weekend before the ACM. You are welcome to take them home and read them before the meeting, so that you can bring your questions or concerns to the community. Reviewing what we do and planning what we will do is an important part of being a healthy parish and so we should all be there to share in the work. After the meeting there will be a light supper and time to catch up with old friends and new.

Please mark this date in your diary now.

OUR SUNDAY LITURGY
Celebrating the Eucharist**Part 3 The Gathering Rite**

We are still in the *Gathering Rite* but now move to the **Reconciliation Rite**. Here we acknowledge our failure to love [God, our neighbour, ourselves and all of creation] as God calls us to and we humbly ask for mercy and forgiveness. Again we remind ourselves that we are gathered to celebrate and as at any celebration it is important to be *'in right relationship'* with all involved in the celebration [God, ourselves and our neighbour...]. This is the purpose of the 'Reconciliation Rite'. It does take a conscious intent but gives us a wonderful opportunity to be at peace and ready to celebrate fully.

HOLY HOUR FOR VOCATIONS

Unfortunately, due to increased demands on the use of our church, we once again need to cancel the Holy Hour. We have decided to recess the Holy Hour for the rest of this year and to re-launch it with a new focus in January, 2015. We ask our regular attendees to continue to pray for vocations to the priesthood and religious life until we come together again next year, and for everyone to make new vocations an urgent prayer priority - *Morley Vocations Group*
