

Dear Parishioners,

This week as you leave Mass, you will be handed a copy of the Archbishop's letter regarding the LifeLink's Christmas appeal. Please take it home and read it and then come back next week ready to support this worthy appeal in whatever way we can.

Thank you to those who helped by delivering fliers about the Catholic Mission concert with the Walker Trio, to be held here in our church this weekend. Please consider coming along this Sunday and enjoy some excellent music, afternoon tea and the knowledge that your donations will offer a chance to another family in a country where life is not so good.

I am happy to announce that our statue of Our Lady of Mt Carmel is nearly ready to be returned to our Church. I know that many of you will be glad to see the statue back in place. I thank, once again, everyone who contributed to the refurbishment.

I hope you have marked **MONDAY 17 NOVEMBER** into your diary—I would like to see you all at the Annual Community Meeting. It is an opportunity for you to hear first hand about what is happening in the parish and also to ask questions and to have your say.

- Fr. Sunny

## THE ARCHBISHOP'S CHRISTMAS APPEAL FOR LIFELINK

You can mail your donation directly in the reply-paid envelope provided, or return your envelope and donation for a Special Collection which will be held at Mass next weekend. You may also donate (securely) online by credit card at [www.lifelink.com.au](http://www.lifelink.com.au)

## THE DEDICATION OF THE LATERAN BASILICA

Today the liturgy celebrates the dedication of the Lateran Basilica, called "mother and head of all the churches of the city and the world." It is the Cathedral of Rome and features the oldest baptistry in that city.

Why do we celebrate a church? The readings today give us the answer. This Basilica represents a church made, not of stone, but of "living stones"; that is, us, the people of God. When Jesus proclaimed chose Peter, he did not say to him "*You are the Church*", he said, "*On this rock (Peter) I will build my Church.*"

You cannot build a church with just one brick! It takes many bricks and a joint effort. This is why Catholics celebrate their faith as a community—we need to come together before we can become "Church". Praying at home alone is good for our souls; praying together is necessary work if we are to build God's kingdom on earth.
