

Dear brothers and sisters,

This week is Social Justice Sunday for the Church in Australia. The theme this year is mental health. Here is a statement from the bishops for this Sunday:

To Live Life to the Full: Mental health in Australia today

The COVID-19 pandemic is impacting the mental health of many members of our parishes, schools and communities. In fact, most of us will experience a mental health problem at some point over the course of our lives. Understanding mental health will help us to be aware of those who need our support. Our parishes, organisations and communities can be places of acceptance, care and healing, not places of rejection, judgment or stigma.

In the Social Justice Statement *To Live Life to the Full: Mental health in Australia today*, the Bishops welcome the deinstitutionalisation of mental health care in Australia. However, without adequately funded community mental health services, there is a gap in the system through which people continue to fall. Social determinants including poverty, living conditions, and personal security are significant contributors to mental ill-health. The Statement highlights the experience of First Nations people and communities, asylum seekers and refugees, people who are homeless and those who are in prison.

The Bishops observe that “our society tends to draw away from, or to push away, those who confront us with our frailties and limitations” which is “completely at odds with the story of Jesus” who “takes on the frailty of the human condition” and “draws near to those who are sick or who have disabilities, those who are marginalized or despised”. People living with mental ill-health are part of the Body of Christ – ‘us’ and not ‘them’ – and share equally in Jesus’ promise of the fullness of life (Jn 10:10).

The Bishops invite us all to reject stigmatisation, to work for the transformation of social determinants of mental ill-health, and to call for policies and service provision that meet the needs of the poorest and most marginalised members of our community.

—*Blessings, Greg*

Parish Fundraiser — all things gardening!

We are planning to hold a big plant/garden stall to raise money for the parish for ongoing maintenance of our buildings. We will not set a firm date until the WA government announces the move to Stage Five and Covid-19 regulations are relaxed a little more. However, we hope to hold this fundraiser around the beginning of next Autumn—April/May 2021.

In the meantime, we need your help! You can help in many ways, but here are some of them:

- If you love to garden, please start potting up plants from your garden. Anything at all will be welcome, but especially popular are succulents of all kinds, indoor plants, flowering shrubs, herbs. To prevent the spread of disease, potting mix rather than garden soil should be used.
- If you are an average gardener and subsequently have lots of empty pots from your past attempts, please consider donating them to the parish for use by others. Pots of all kinds (plastic, terracotta, pottery etc) and sizes (even tiny tubestock pots) will be welcome and can be dropped to the parish office. ***Please hose out your pots before bringing them in.***
- Do you have old terrariums or interesting old ceramic pots (old teapots even, or giant cups) which could be used to plant mini-gardens? Please bring them in!
- If you are not a gardener at all, but know someone who loves their garden, why not ask if they will pot up some things for you to bring along—most gardeners love sharing!
- If you sew, consider making some gardening aprons, hats, sleeve protectors etc to donate for the sale (children’s sizes too).
- If you love craft, consider making some garden related items.
- If you decide to spring clean your shed, consider donating any garden-related items that you no longer want.
- If none of the above is something you can do, consider donating towards a bag of potting mix (\$8 for a 30 litre bag.) for people who want to help by potting up plants.

It would be great to see this fundraiser bring our community together in a real shared effort.

If you have any questions, or better yet, any good ideas to share, please contact Angela via the parish office.

Can you help?

Do you have skill or expertise in website design? Our parish is looking to refresh our website. We are looking for people to join our working party. If you are interested and have time to meet, please contact Tanya on 0414 540 722. Thanks!

Prayer for Mental Health

Jesus, you invite us all into the fullness of life.
May we support one another to flourish in body,
mind and spirit.

Strengthen our commitment to ensure that nobody
falls through gaps in our systems of care.

People called you mad. Help us recognise you in
those who suffer mental ill-health today.

Show us how to eliminate stigmatisation of
mental ill-health from our parishes, schools,
communities and organisations.

You drew near to those who were suffering in body
or mind. May we too fill your nearness when we
struggle with mental health challenges.
May we be one as members of Your Body.

You invite us to share in your ministry of love and
true compassion. May we be empowered by your
Spirit to reach out to all people in need.
May we build communities of welcome and
inclusion. Amen.
