

Dear Parishioners,

As we gather today to celebrate once more the solemn dedication of our church to the glory of God, we remember all our parish members who are sick and frail and who cannot be with us today. We also remember all who have gone before us; those early pioneers who settled the Morley area and built by hand our first two parish churches, as well as our school. We give thanks for their dedication and hard work and do not take for granted the legacy they have left us. It is because of their faithfulness that we have this beautiful church and parish centre today. May they pray for us all as we carry this parish community into the future.

On a less celebratory note, a few weeks ago some individuals took it upon themselves to hand out, after our regular Masses, copies of the AD 2000 magazine. Inside this magazine was a copy of another magazine, which contained some politically aggressive articles. I wish to assure you all that this was done without my knowledge or approval. I do not believe that our place of worship is the appropriate venue for overt political campaigning and I greatly regret any upset this unauthorized activity may have caused.  
- Fr. Sunny

### ARCHBISHOP TIMOTHY COSTELLOE, SDB

*“Encountering Christ: The call of Vatican II”*

7.00pm, Tuesday 24 September at 7.00pm

Our parish is very privileged to be hosting this talk, the last of four talks on the important documents which came out of the 2nd Vatican council and what they mean to us as lay people or consecrated people in the Church today. It will be the first time the Archbishop has visited our parish. As the previous talks have attracted large crowds, we will be holding the talk in the church. After the talk you can discuss what you have heard over a cup of tea or coffee in the parish centre.

PLEASE MARK YOUR DIARY NOW.

This will be a great opportunity for the people to gather around their bishop and listen to his teaching.

#### OUR CHURCH INTO THE FUTURE – OUR CHALLENGES.

Thursday 29 August 7-9pm

Infant Jesus Parish Centre

The documents which came out of the Second Vatican Council had a lot to say about the role of the lay people in the church. *“Lumen Gentium”* (Light of the Nations) is one such document and one which we should probably know more about. So this evening is an opportunity for you to enter into an **informal discussion group**.

This is a non-academic discussion, in plain English, with particular emphasis on our **role and responsibilities as lay persons** and the **challenges** facing our Church into the future.

**ALL WELCOME - NO CHARGE**

#### WHAT HAPPENED TO YOUR ROSARIES IN TIMOR LESTE?

experiences. You will be able to see photos of the children who received your rosaries and hear first hand what life is like for the people of this very poor nation. Morning tea will be provided.
