It's been a while since we have come together as a whole parish community, so the 30<sup>th</sup> anniversary of our beautiful church is reason enough to have some fun together after the difficult years we have been experiencing. So let's celebrate with a gala day!

DISPLAYS

As well as our annual dedication Mass, there will be food, music, displays and mini-stalls to enjoy and explore. We will provide as much shelter as possible and allow space for everyone to be comfortable and safe.

The celebrations will begin with the Dedication Mass at 9.30am, celebrated by Bishop Greg Homeming from the Diocese of Lismore. There will be no Italian Mass on this day, instead those who would normally attend that Mass are encouraged to come together for this special liturgy.

Immediately after the Mass, we will move over to the parish centre for the fun!

## HOW CAN YOU BE INVOLVED?

- **Bring cash for the mini stalls**
- **Bring a plate of food from your culture for a shared morning tea.**
- **If you have a flag from your country, please bring it to the parish office so that we can use these as part of the setting up for the day.**
- **Can you sing, dance, do magic tricks or have some other talent to share? Call Billie at the parish office 9276 8500 and help add to the fun**
- **RSVP for the BBQ lunch if you intend to stay to eat.**
- **Do you have a gift for some activity; craft, art, calligraphy etc? We are looking for people to demonstrate simple activities to small groups of interested people who would like to learn.**
