“The fog... penetrates my soul and envelopes it in such a way that it is impossible to discover within it the sweet image of my Fatherland; everything has disappeared!” (St Therese, *Story of a Soul*).

St Therese of Lisieux experienced a relentless trial of faith throughout the last eighteen months of her life. In this retreat, we will explore how she lived her way of spiritual childhood, her way of trust and love, during this time of darkness, and what her insights can teach us today.

In declaring the Extraordinary Month of Mission, Pope Francis reminds us that we are baptized and sent to animate the missionary transformation of Church Life. He asks that we draw inspiration for this from the example of our missionary saints.
